Dear Commissioner Downing:

Thank you for your submission on May 17, 2024, of Montana's waiver extension application for a State Innovation Waiver under section 1332 of the Affordable Care Act (ACA). I am pleased to send this letter from the Center for Consumer Information and Insurance Oversight (CCIIO) within the Centers for Medicare & Medicaid Services (CMS) under the Department of Health and Human Services (HHS), as well as on behalf of the Department of the Treasury (collectively, the Departments).

Montana's currently approved waiver of the ACA requirement for the single risk pool contained in ACA section 1312(c)(1),¹ allows the state to implement a state-based reinsurance program for the individual health insurance market from January 1, 2020, through December 31, 2024.² Montana's waiver extension request seeks to continue the waiver of ACA section 1312(c)(1) and implementation of its state-based reinsurance program for an additional five years, for plan years 2025 through 2029. Montana is not otherwise seeking to make changes to its section 1332 waiver state-based reinsurance program. Should Montana seek to make changes to its waiver program during the extension period, the state would need to follow the procedures detailed in the terms and conditions in effect at that time.

Consistent with 31 C.F.R. § 33.132 and 45 C.F.R. § 155.1332, the processes and procedures for extension requests finalized in rulemaking,³ and the next steps outlined in the Departments' January 17, 2024, letter in response to Montana's waiver extension letter of intent,⁴ the Departments have conducted a preliminary review of the waiver extension application and have made a preliminary determination that Montana's waiver extension application is complete.

¹ Montana's currently approved waiver waives the individual market single risk pool requirement to the extent it would otherwise require excluding total expected state reinsurance payments when establishing the market-wide index rate.

As provided in the January 17, 2024, letter, and similar to the Federal public notice and approval process for new section 1332 waiver applications outlined in 45 C.F.R. § 155.1308(d) and 31 C.F.R. § 33.108(d), the date of this letter marks the beginning of the 30-day Federal public notice and comment process and 90-day Federal decision-making period. Public comments on Montana's waiver extension application will be accepted by the Departments from June 14, 2024, through July 14, 2024, and more information about the Federal public notice process and section 1332 waivers generally can be found on the CCIIO website.⁵ The decision of the Departments regarding approval or denial of Montana's waiver extension application will be issued within 90 days of this preliminary determination of completeness in accordance with section 1332(e) of the ACA.

We look forward to working with you on your waiver extension application and will be in touch if we need additional information. Please do not hesitate to contact us if you have any questions.

Sincerely,

Jeff Wu
